Three agreements signed to date (10/12/10). The land approved so far is Lewis Road, Colden Lakes and Crump Road. Work will start as soon as the Town can get equipment that is shared with other Towns. Project will start construction in the Spring of 2011.

d. Commissioner Shelley is developing inventory checklists for each apparatus.

11. New Business:

BE IT RESOLVED, that the Board of Fire Commissioners of the Colden Fire District does hereby appoint the following persons to serve as Election Inspectors for the upcoming District election to be held on December 14, 2010:

Name	Address

Alfred Kalinowski	10397 Partridge Road, Holland, NY 14080

Vote Tally	4	0	0	1

A vote was taken and the motion was approved

Discussion item # 2 – Amkus Tool upgrade required for Rescue 7 that can allow Rescuers emergency entry to the new 2012 Vehicle Safety Designs after they are involved in an accident. Three different Companies tools have been tested. The Committee selected Amkus which is the current system Colden uses. Items needed and tools to be upgraded will be identified so that an RFQ can be developed. Permissive Referendum will be published. A “Desire to Purchase” advertisement will be submitted to the NYS Contract Reporter.

Discussion item # 3 – AED Pads in the Buildings’ and Chiefs’ AEDs need to be checked for expiration. Monthly equipment checks need to be documented.

Discussion item # 4 – Building Emergency Escape and Self-Rescue Rope System is a new mandatory item for interior Firefighters. These ropes are an expensive one time use item. The first step in the process is to develop written guidance. A draft SOG II-07 has been submitted to the Commissioners to review and discuss. Laddering the windows, to meet this requirement, is not practical.

Discussion item # 5 – Letter of intent to run for Commissioner, from Charles Kramer, has been received by the District.

Discussion Item # 6 – Disposal of the old Rescue 7 was discussed. In the current environment trade-ins appear to be the worst value. There are several Web-Sites that seem to be more beneficial. An appraisal is needed before making a decision. A list of items and Rescue 7 maintenance history will be developed. A Legal Notice will be published for the disposal.

Discussion item # 7 – The Holland Hardware charge account will be closed.

Discussion Item # 8 – Fire Fighters can get Health Insurance through the Town plan providing they reimburse the Town for the total cost. Fire Company President will inquire at the next Company meeting if anybody is interested. Chapter 71 allows a public corporation (Town) that is a participating employer in the State Employee Health Insurance Program [NYSHIP] to elect to make NYHIP health insurance coverage available its active volunteer firefighters [as defined in §3.1 of the Volunteer Firefighters' Benefit Law] and its active volunteer ambulance worker [as defined in §3.1 of the Volunteer Ambulance Workers' Benefit Law].

a. Eligibility for Coverage: The volunteer must provide the Town with written documentation that he/she is an active member (Fire District will provide documentation). This benefit does not apply to retired or honorary members.

b. Payment of Premium: Volunteers must pay the entire cost of the premium. Failure to remit timely payment will cancel coverage. The Town may provide a 30 day grace period. Terminated coverage must be on the last day of the month for which payment had been received. The Town must give the enrollee a Notice of Cancellation indicating the date at which coverage ended. A volunteer seeking to reenroll in NYSHIP may be subject to a waiting period.

c. Loss of Eligibility: When a volunteer is no longer active coverage terminates on the last day of the month in which they were still active. They are not eligible for COBRA.

Discussion Item # 9 – Fire Company Hall rentals now must be presented at a public meeting of the Fire Commissioners. Due to Insurance requirements, when alcohol will be consumed, an “SLA Permit” is required. To get an SLA permit takes a minimum of 15 days through New York State. Most catering licenses will cover when hard liquor is going to be consumed. The new requirements will be posted on the Fire Company Web-Site.

13. Public Comments: None

14. Next Regular Board Meeting: Tuesday, December 14, 2010 at 7:00 PM at Station # 1. Elections will be held in the District Office.

15. Adjournment @ 8:22 P.M. With no further business to conduct, Commissioner Joseph Murray made a motion to adjourn the meeting and Commissioner Michael Butler seconded the motion.
