2. EMS SOG received Doctor's evaluation now Jeff Ruminski needs to find time to review.

Discussion item # 2 – Resolution # 2021-030 – 2020 Achievement Awards - Fire Company presented the District with their needs for the Installation Dinner. Pursuant to Town Law 176d, the Fire District will purchase awards honoring 2020 awardees. Funds will come from Account A3410.409 (Public Drills, Parades, Inspections, & Awards). Awards will not exceed a total cost of \$500.00 to the District. Guidance is contained in SOG II-01 (Achievement Awards).

Commissioner Ruminski made a motion to pay up to \$500.00 in the cost of Awards and Commissioner Jarecki seconded the motion. Ruminski-Yea, Shelley-Yea, Jarecki-Yea, Smith-Yea, Marinaccio-Yea Motion Approved

Discussion item # 3 – Resolution # 2021-031 – Annual Inspection Dinner - Pursuant to Town Law 176d, The Fire District will sponsor the Annual Inspection Dinner for the membership of the Colden Fire Company. Annual Inspection Dinner is scheduled for April TBD, 2021. Funds would only be utilized for the firefighters and funds would cover the cost of appetizers and dinner. Funds will come from Account A3410.409 (Public Drills, Parades, Inspections, & Awards) in the estimate amount of \$900.00 (36 Active Firefighters NTE \$25.00 per firefighter).

Commissioner Smith made a motion to pay \$25.00 for each active member up to 36 members to a total of \$900.00 for the Dinner and Commissioner Ruminski seconded the motion. Ruminski-Yea, Shelley-Yea, Jarecki-Yea, Smith-Yea, Marinaccio-Yea Motion Approved

Discussion item # 4 – Resolution # 2021-032 – Request for a leave of absence SOG changes due to energy needed in their business due to Covid-19. An SOG updating is needed to cover such situations maybe with a 90-day sequencing being required. SOG changes will include:
Work Conflicts: No Points will be awarded. Membership however will remain active for one (1) year from the date when work issues or job changes happened due to “unforeseen” work place changes. Original request needed and resubmission every 90 days for District review and approval. Mandatory commitments need to be maintained

Commissioner Ruminski made a motion to approve changes to change the SOG on Time Off and Commissioner Jarecki seconded the motion. Ruminski-Yea, Shelley-Yea, Jarecki-Yea, Smith-Yea, Marinaccio-Yea Motion Approved

Commissioner Smith made a motion to approve the Mutual Aid agreement with orchard Park EMS a paid service and Commissioner Jarecki seconded the motion. Ruminski-Yea, Shelley-Yea, Jarecki-Yea, Smith-Yea, Marinaccio-Yea Motion Approved

Discussion item # 6 – Resolution # 2021-034 – Excess EMS Expired Items:

EMS Room is experiencing an increase in expired medical equipment that cannot be donated anymore. The County collection box program in the Town Hall is not equipped to accept large amounts of disposal. There is a paid service that will pick-up the items at a cost of \$55.00 for a 4.3 size box we would use maybe twice a year. Bio-Service also will pick up Pharmaceutical items and Sharps that are getting harder to dispose of in hospitals. Ron will try to contact the Disposal boxes in the Town hall to find out their policy in helping volunteers operations.

Commissioner Smith made a motion to try the Bio-Service once to dispose of the bulk of the expired material and see how it goes and Commissioner Jarecki seconded the motion. Ruminski-Yea, Shelley-Yea, Jarecki-Yea, Smith-Yea, Marinaccio-Yea Motion Approved

Discussion item # 7– Red Alert is a very cumbersome computer program that cost some \$2,000.00 and several users don't know what we get for the fees. Currently we have started other operations with ESO for computer/app support. Some research finds that our Hamburg Dispatch is having problems with Red Alert. Only problem with ESO is at this time they do not track LOSAP. Recently ESO purchased Fire House another program management system but with LOSAP capability. Jeff Ruminski will look into prices

Discussion item # 8– EMS Chief Ruminski is looking into slowly reducing restriction brought about Covid-19. Hopefully we can start in person training and try in-person meetings, without food, in March. Hoping to have revised SOG for viewing at March CFD Meeting. The State has extended the Open Meeting Law restrictions only until February 22, 2021.

9. Public Comments: None
