#### Resolution # 2021- 042 – Fire District Purchases

Commissioner Shelley made a motion to approve the purchases and Commissioner Jarecki seconded the motion. Shelley-Yea, Jarecki-Yea, Smith-Excused, Marinaccio-Yea, Ruminski-Excused Motion Approved

#### 7. Unfinished Business:

1. EMS SOG received Doctor's evaluation now Jeff Ruminski needs to find time to review.
2. Following Vehicles have complaints from January 2021:
  - Rescue 7 has a check engine light on, with no information
  - Eng. 1 Wig-Wag Lights work on High Idle only
  - Station 2 – Light and Globe broke due to falling ice Sta. 2

3. Red Alert is a very cumbersome computer program that cost some \$2,000.00 and several users don't know what we get for the fees. Currently we have started other operations with ESO for computer/app support. Some research finds that our Hamburg Dispatch is having problems with Red Alert. Only problem with ESO is at this time they do not track LOSAP. Recently ESO purchased Fire House another program management system but with LOSAP capability. Jeff Ruminski will look into prices
4. Still need to be Sworn-in to Office:  
Rescue 7 Captain – Patrick Murphy  
Ambulance captain – Still to Be Announced

## 8. New Business:

**Discussion item # 1 – Resolution # 2021-043 - Property disposal of unserviceable Equipment:** Colden 9 and team inspected Turn-Out Gear found the following expired and worn out equipment: Turn-out Coat - BCT-111 (Expired usage date)

Commissioner Marinaccio made a motion to Dispose of Turn-out Coat BCT-111 and Commissioner Jarecki seconded the motion. Shelley-Yea, Jarecki-Yea, Smith-Excused, Marinaccio-Yea, Ruminski-Excused Motion Approved  
Shelley-Yea, Jarecki-Yea, Smith-Excused, Marinaccio-Yea, Ruminski-Excused Motion Approved

**Discussion item # 2 –** Transfer of Funds from Checking to the Apparatus Reserve was completed on April 6, 2021 due to the time frame that we could add funds to the Certificate of Deposit. The time frame was only ten (10) days and the way the calendar worked this year our monthly meeting would have left only one day to deposit the funds or wait another three months. To obtain maximum interest earned plus the opportunity presented itself (happened to be doing banking on the 6<sup>th</sup>) to deposit the funds and save mileage, since the bank is quite a distance from the Town of Colden the funds were approved to deposit before the monthly meeting.

**Discussion item # 3 –** OSHA Training must be completed before the Fire Fighter Physicals are to be authorized. Colden 9-1 will coordinate with Commissioner Smith as to who still needs OSHA Training and send out individual notice to those individuals.

**Discussion item # 4** – The following Members were sworn in to their positions by Town Judge Michael Schneider:

- Anthony Ruminski - Commissioner
- Gloria Marinaccio – Commissioner and Fire Police
- Jan Jarecki – CFD Purchasing Officer
- Jeffrey Ruminski – CFD/CFC Purchasing Agent and EMS Chief
- Vincent Nye – CFC Fire Chief
- Jody Feidt – CFC Assistant Fire Chief 9-1
- Colden 9-2 – Brian Sudyn
- Fire Police - All
- President – Gerald Pietraszek
- Vice-President – Megan Jarecki
- Secretary – Carrie DePasquale
- Treasurer – Ronald Smith
- Chaplain – Kevin Shelley
- Engine 1 Captain – Michael Robertson
- Engine 2 Captain – James DePasquale
- Engine 3 Captain – Charles Kramer
- Tanker 5 Captain – Jeffrey Shelley
- Safety Captain – Gerald Pietraszek

**Discussion item # 5** – A request to use the District Office in Station 1 as a storage space for the EMS equipment, at least until the new storage building is completed. This was approved and decided to leave the door unlocked for the time being. All District items will be secured as appropriate.

**Discussion item # 6** – Colden 9-1 requested that changes be made to the SOG that prevents members from using their POVs to get to the scene of a fire once the vehicles depart the stations. The call on Holland Glenwood Road could have used more people who seemed to missed the fire apparatus. The Commissioners agreed and will allow Members to use their POVs for fire calls only, but they must make every effort to man the equipment first.

**Discussion item # 7**– SOGs covering jobs needs to be reviewed and something should be included to cover Members “Jumping jobs” at the scene. This should be prioritized as needs are discovered by the Chiefs.

**Discussion item # 8** –

With there being four (4) suicides in the local communities in the past few years we all need to be aware of changes in our fellow Fire Fighters and see if we can get them help.

**9. Executive Sessions:**

Commissioner Shelley made a motion to adjourn to an Executive Session to discuss a personal and security issue and Commissioner Jarecki seconded the motion. Shelley-Yea, Jarecki-Yea, Smith-Excused, Marinaccio-Yea, Ruminski-Excused Motion Approved

Recess to Closed Session @ 8:00 PM

Reconvene to Open Session @ 8:10 PM

**10. Public Comments:** None

**11. Next Regular Board Meeting:** Tuesday May 11, 2021 at 7:00 PM in the District Office.

**12. Adjournment @ 8:12 P.M.** With no further business to conduct, Commissioner Shelley made a motion to adjourn the meeting and Commissioner Jarecki seconded the motion. Shelley-Yea, Jarecki-Yea, Smith-Excused, Marinaccio-Yea, Ruminski-Excused Motion Approved

## **PUBLIC MEETING RULES**

**Order of Agenda** - Items listed on the Agenda may be taken out of order.

**Accommodations** – Colden Fire District Office Building is accessible to individuals with disabilities. Reasonable efforts will be made to accommodate persons with special needs. Please contact the Fire Board one week in advance of the meeting.

**Manner of Addressing the Fire Board** - In order to conduct orderly, efficient, effective and dignified meetings that promote a governmental purpose with a governmental process, public comment may address any agenda item or other public issue that the Fire Board has the authority to effectuate or exercise control over. Public comment on matters beyond the Fire District's scope of authority is not relevant, does not invoke a governmental process nor serve a governmental purpose and is contrary to the effective, efficient and orderly business conducted by the Colden Fire District. Each person addressing the Fire Board shall stand up, shall give his/her name and shall limit the time of his/her presentation to three (3) minutes. All public comment remarks shall be addressed to the Fire Board as a body, and not to any member thereof. No person, other than members of the Fire Board and the person having the floor shall be permitted to enter into any discussion. No questions shall be asked of the Board Members, except through the presiding chairman. Speakers shall avoid undue repetition of points previously presented to the Fire Board.

**Disruptive Conduct** - Any person who willfully disrupts a meeting to the extent that its orderly conduct is made impractical may be removed from the meeting by order of the presiding chairman. A person willfully disrupts a meeting when he/she (1) uses physical violence, threatens the use of physical violence or provides the use of physical violence or (2) continues to use loud, boisterous, unruly or provocative behavior after being asked to stop, which behavior is determined by the presiding Chairman, or a majority of the Fire Board present, to be disruptive to the orderly conduct of the meeting or (3) fails to comply with any lawful decision or order of the presiding Chairman or of a majority of the Fire Board relating to the orderly conduct of the meeting.

**Use of Recording Equipment** - All members of the public and all public officials are allowed to tape or video record public meetings. Recording is not allowed during executive sessions. The recording (tape/video) is permissible as long as the device is unobtrusive and will not distract from the true deliberative process of the Board.
